Subject: Request for Grant Dismissal
FCC ID: JLFOMG1

To Whom It May Concern:

This is to inform that incorrect information was submitted on the 731 form. Two grants were issued and there should only be one. We request to dismiss the entire grant. We will enter the correct information and reissue the grant. This was due to error during submission online to the FCC.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Ferrer'.
