Columbia, MD 21046**

Pursuant to FCC 22-84 Report and Order and KDB 986446 D01 Covered Equipmentv01, the Commission adopted new FCC requirements to protect the nation's networks and supply chains from equipment that poses an unacceptable risk to national security or the safety of U.S. persons. Specifically, the Commission adopted rules that prohibit equipment authorization for "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's CoveredList.

Certification designating a U.S. agent for service of process. As required by section 2.911(d)(7), the applicant must designate a contact located in the United States for purposes of acting as the applicant's agent for service of process, regardless of whether the applicant is a domestic or foreign entity.

Certifications FCC ID: **JM7-HWHY-662022** concerning "covered" equipment. Section2.911(d)(5)(i)-(ii).

Accutech Security, LLC ("the applicant") certifies that the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules.

Accutech Security, LLC certifies that as of the date of the filing of the application, the applicant is not identified on the covered list as an entity producing covered equipment.

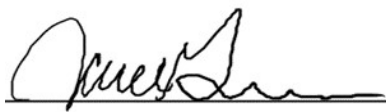

Accutech Security, LLC ("the applicant") consent to accept the service of process.
