A Division of Innovative Control Systems, Inc.

Date: 07/16/04

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Subject: Request for Non disclosure for FCC ID: JM7-IGWT-660098

To Whom It May Concern:

We are requesting the **following exhibits be treated as confidential** per 0.457 and 0.459 of CFR 47, as they contain trade secrets and/or information that might compromise our security system designed to prevent the abduction of infants:

660098 Block Diagram.jpg (contains functional block diagram)

660098\_Operational.doc (contains the transmission scheme and data protocol)

160098D\_Sch.pdf (contains the schematic diagram)

In addition, we respectfully request that any documents created by the submitting lab, on our behalf that are not required to be publicly disclosed be considered confidential and not made available to the public. We further request that if a document, or a portion thereof, is required to be released to the public, that only those parts that are required, be released in part, and not the entire document released.

Please contact me if you have any questions or need additional information.

Sincerely,

Mark J. Kieckhefer  
Project Engineer/Compliance Manager
