(submitted via the second (old) server)

Dear Mr. Johnson,

Below are the answers to your questions.

1. Please find the updated User manual (with the identification of the responsible party), submitted via "Add to existing application", Users Manual folder on January 8, 2003.
2. Please find the updated schematics (page 6 was replaced), submitted via "Add to existing application ", Schematics folder on January 8, 2003.

With great respect,
Valeria
