Re: Supersede request for FCC ID: **JNZA00041**; Granted on **07/13/2012**

To Whom It May Concern:

Per request by the applicant, the "Label" was revised with only FCC DoC logo and FCC ID in it, no any other changes.

This is to avoid the publication of product information when this product is not launched, we would like to request the FCC to supersede the exhibit described as "Label" outlined below with red color. A new file will be submitted to replace the previous one.
