Re: Supersede request for FCC ID: **JNZTR0003**; Granted on **07/20/2012**

To Whom It May Concern:

Per request by the applicant, the "Label Smpl JNZTR0003" was revised of removing label drawing and the "Label Loc JNZTR0003" was revised with only FCC ID in it, no any other changes.

This is to avoid the publication of product information when this product is not launched, we would like to request the FCC to supersede the exhibit described as "Label Loc JNZTR0003" and "Label Smpl JNZTR0003" outlined below with red color. A new file will be submitted to replace the previous one.
