

FCC ID: JNZVR0030

Date: 2021-11-30

Description of Permissive Change

The application is prepared for FCC class II permissive change by FW updating to reduce WLAN 2.4G power. The change does not affect other RF function.

Except for the changes mentioned above, no other modification is performed.

Both devices, original and updated versions, are electrically identical in all aspects except reducing WLAN 2.4G power.
