Ref: The dismissal of C2PC for FCC ID: JOYDA39 (granted on 10/5/2020 and 12/15/2020)

Applicant: KYOCERA CORPORATION

Dear Examiner,

We, Kyocera Corporation, would like to dismiss the C2PC's for FCC ID JOYDA39 granted on October 5, 2020 and December 15, 2020 because they should have been under a new application because LTE Band 13 transmitter components were removed from the circuit. We would like to remove these C2PC's and file under a new application.

We also confirm no devices under these C2PC's have been marketed or sold.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

A handwritten signature in black ink that reads "Y. Yamamoto".
