

Equipment: Mobile Phone
Trademark(s) and Model(s): CDMA KY011
Manufacturer: KYOCERA Corporation

RFID/GPS

FCC ID: JOYKY011

To whom it may concern,

Due to the fact that the EUT with FCC ID: JOYKY011 does not transmit any signals intentionally using RFID/GPS in the United States under roaming conditions that as such providing an test report is not possible for this product..

Thank you for your attention to these matters.

Sincerely,
