

Equipment: Mobile Phone

Trademark(s) and Model(s): YTMF-1

Manufacturer: KYOCERA Corporation

Distance of SAR measurement

To whom it may concern,

Due to the fact that the EUT with FCC ID: JOYYTMF-1 is distributed only to certain Japanese network operator, so SAR measurement was performed at 10mm distance according to their recommended environment.

Thank you for your attention to these matters.

Sincerely,

Company name:

KYOCERA Corporation

Name/Title (legal representative):

Yoshikazu Yamamoto
