Subject: Model Differences – JPZ0075

Dear Sir or Madam:

Models: PJ-2B, PJ-2BRL, PJ-3B, PJ-3BRL, UPJ-2B, UPJ-2BRL, UPJ-3B, UPJ-3BRL,

The following is a description of the model differences covered under this submittal. The model tested was PJ-3BRL. There are four unique models that differ only in the quantity of buttons; a mechanical difference. The same PC board with incorporated antenna and schematic apply to all models. A 'U' prefix indicates a specific manufacturing location.

Sincerely,

Robert Spehalski
Engineering Leader
