Hi Joe,

Thank you for the review.

UL has a calibration policy that allows us to set the calibration date to the end of the month of calibration so while these dates are over 1 year they are within the company policy. Please let me know if you need any other information to move this application along.

Thanks

Hi Bob,

Please address below issue:

Test Report: At page 9 and 10, the calibration period of follow equipment is over one year: Multimeter, EMI Receiver and LISN. Please address your calibration period plan for these equipment.

Thank you.

Best regards,

Joe Hsieh / UL CCS
