Dear Application Examiner,

Lutron Electronics Co., Inc., ATW01, FCC ID:JPZ0124, would like to have your authorization as a modular approval specific to {*the mobile device such as Access Point and Router.....*}

The requirements of Public Notice DA00-1407 have been met and shown on the following statements.

1. **“The modular transmitter must have its own RF shielding.”: The module has an RF shield that surrounds the transceiver components**
2. **“The modular transmitter must have buffered modulation/data inputs.”: The module has buffered modulation/data input internal to the Multi-Protocol Wireless SoC**
3. **“The modular transmitter must have its own power supply regulation.”: The module has power supply regulation internal to the Multi-Protocol Wireless SoC**
4. **“The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C).”: The module complies with the antenna requirements of section 15.203 and 15.204(C)**
5. **“The modular transmitter must be tested in a stand-alone configuration”: The module was tested in the stand-alone configuration.**
6. **“The modular transmitter must be labeled with its own FCC ID number.”: The module is labeled with the FCC ID**
7. **“The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.”: The module complies with all applicable rules and requirements and there are no special instructions required to meet these. Instructions are provided to the host.**
8. **“The modular transmitter must comply with any applicable RF exposure requirements.”: The module complies with all applicable RF exposure requirements.**

Please contact me if you have any further questions.

Regards,

Robert Spehalski  
Engineering Leader
