Subject: Request for Withdrawl of Application

FCC ID: [JPZ0135](#)

To Whom It May Concern:

Lutron Electronics Co., Inc. hereby requests for a withdrawl of the FCC Registration Number JPZ0135.

Lutron requests this action as the product covered under this Grant has not yet made available for sale anywhere in the world and has not been sold with the FCC grant assigned. As the product has not been made available for sale the short-term confidentiality expiration would lead to business sensitive information being made available to the public before the actual marketing of newly authorized devices.

Please direct any questions concerning this request to the technical Contact Daniel J Osle [dosle@lutron.com](mailto:dosle@lutron.com) or (610) 282- 7867 for further information.

Best Regards,

Daniel J. Schlegel
