

## Class II Permissive Change Request Letter

Date: 12/5/2011

To FCC:

**RE: FCC Permissive Change Request for Company: HID Global Corporation, FCC ID: JQ6-ICLASSR40D**

We are submitting an application for a class II permissive change to the FCC approval of the Company name: HID Global Corporation, product description: ICLASS RFID Reader (FCC: JQ6-ICLASSR40D, Original Grant Date: 12/7/2010). The purpose of this application is to ensure that changes made, by adding an LCD display and contact reader to the final assembly, do not change the compliance of the product. The radio circuitry has not changed at all.

Sincerely,

Name: Robert Cresswell  
Title: Manager / Compliance Engineer
