

Antenna was tested only this horizontal orientation. Because manufacturer state the antenna will be installed only in this orientation.

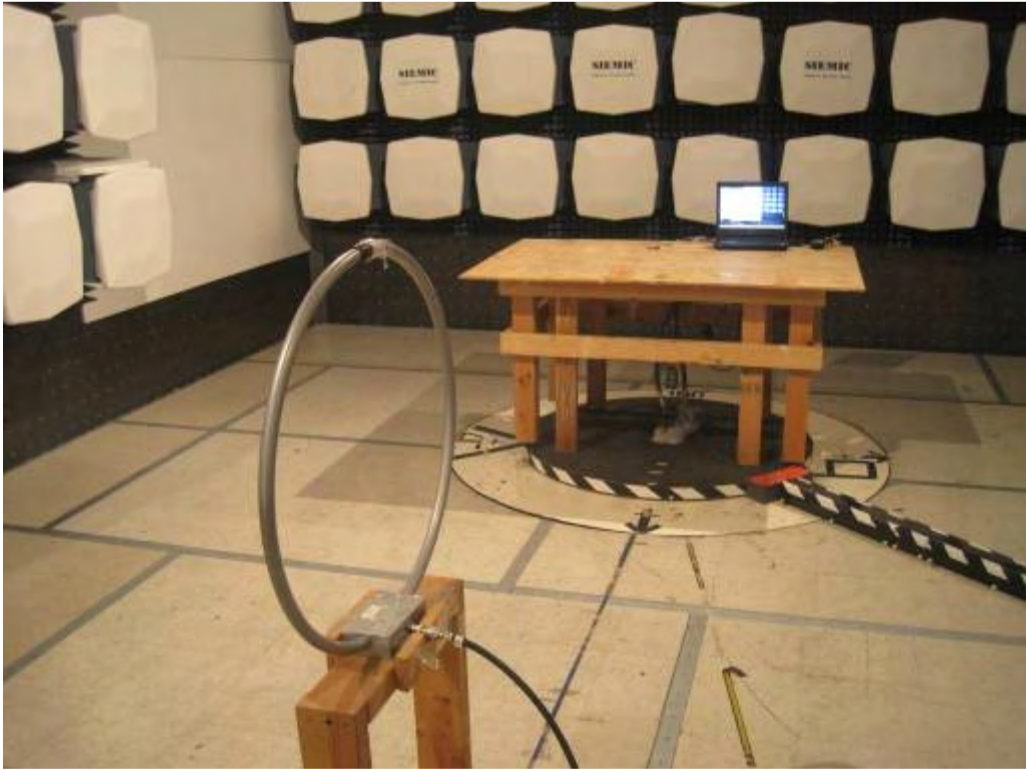

Radiated Emission Test <30MHz (Rear view) --- identiCLASS 3300 + Antenna ID3 + SAM ID0

Radiated Emission Test <30MHz (Front view) --- identiCLASS 3300 + Antenna ID3 + SAM ID0

Antenna was tested only this horizontal orientation. Because manufacturer state the antenna will be installed only in this orientation.

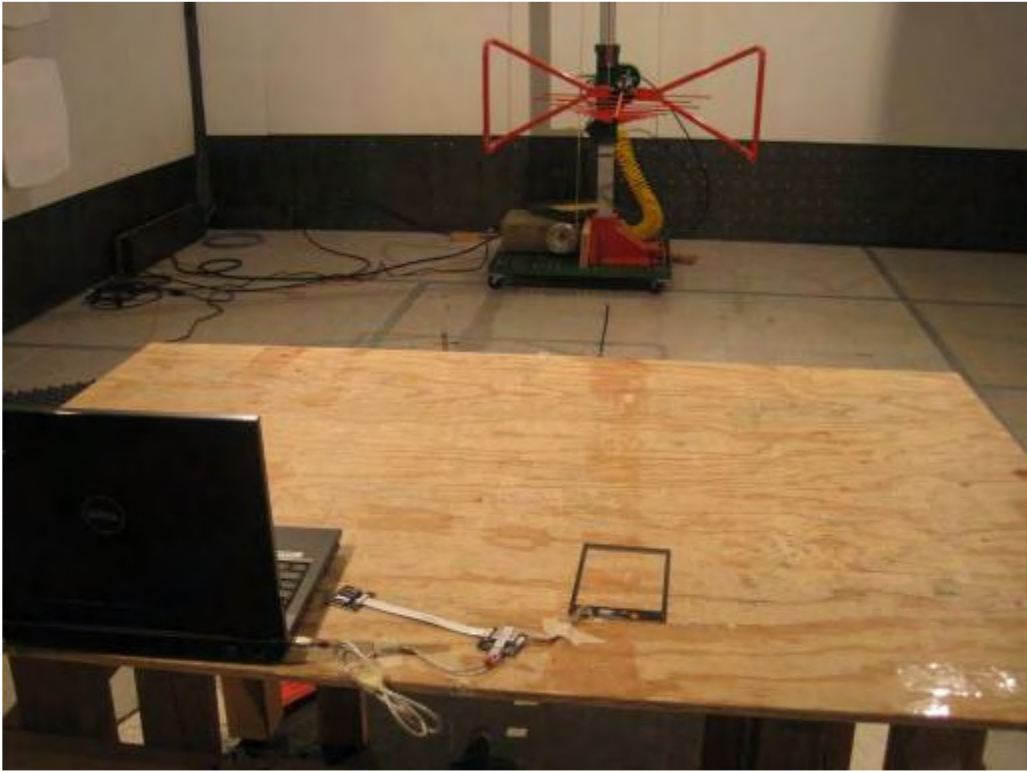

Radiated Emission Test <30MHz (Rear View) --- identiCLASS 3300 + Antenna ID1 + SAM ID0

Radiated Emission Test <30MHz (front view) --- identiCLASS 3300 + Antenna ID1 + SAM ID0

Antenna was tested only this horizontal orientation. Because manufacturer state the antenna will be installed only in this orientation.

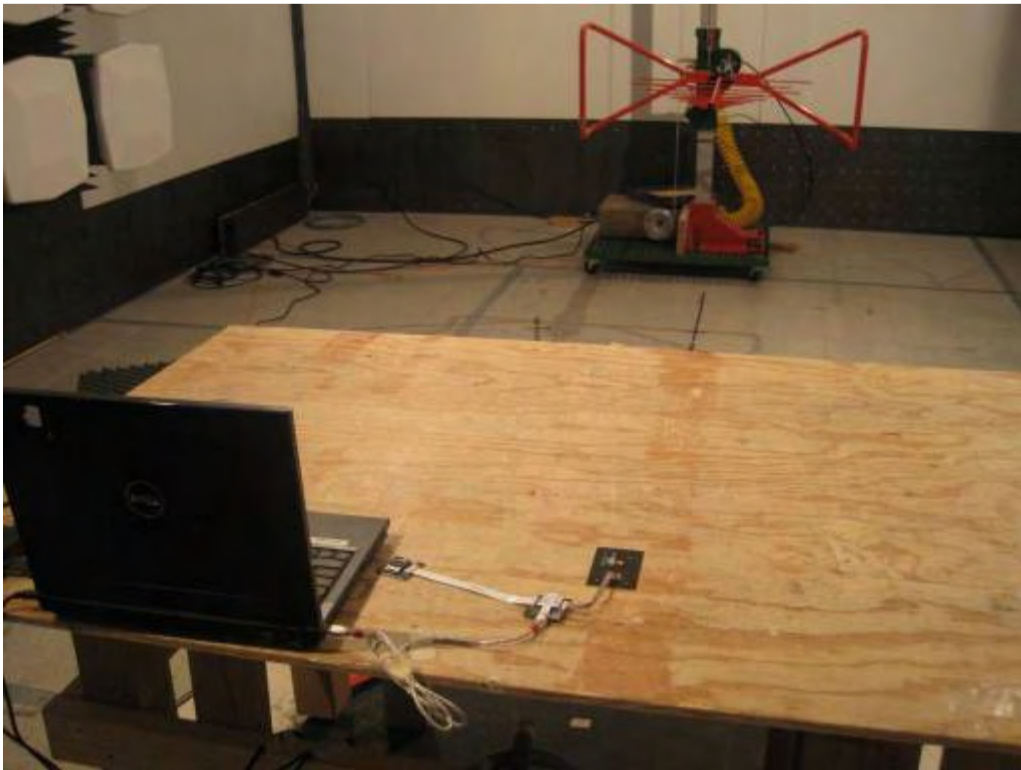

Radiated Emission Test >30MHz (Rear View) --- identiCLASS 3300 + Antenna ID3 + SAM ID0

Radiated Emission Test >30MHz (front View) --- identiCLASS 3300 + Antenna ID3 + SAM ID0

Antenna was tested only this horizontal orientation. Because manufacturer state the antenna will be installed only in this orientation.

Radiated Emission Test >30MHz (Rear View) --- identiCLASS 3300 + Antenna ID1 + SAM ID0

Radiated Emission Test >30MHz (front View) --- identiCLASS 3300 + Antenna ID1 + SAM ID0

AC Line Conducted Emission Front View -- identiCLASS 3300 + Antenna ID3 + SAM ID0

AC Line Conducted Emission Rear View -- identiCLASS 3300 + Antenna ID3 + SAM ID0

AC Line Conducted Emission Front View -- identiCLASS 3300 + Antenna ID1 + SAM ID0

AC Line Conducted Emission Rear View -- identiCLASS 3300 + Antenna ID1 + SAM ID0
