0.457, 0.459 Request that submitted material be withheld from Public Inspection

Model: 1351 ProxPass II

It is requested the following material be withheld from public inspection:

Description of the product, circuit functions, and how the device operates.
Block diagram
Schematics
Antenna and ground system descriptions

This document is considered HID Global Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with the product and therefore ask the above cited materials be withheld from public inspection.
