SEE MANUAL FOR INSTRUCTIONS

2280- 2400

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1)

This device may not cause harmful interference, and (2)

This device must accept any interference received,

including that which is caused by authorized operations.

Note: The Original 24 bit output places the yellow wire in connection with the black wire.

For 24 bit Wiegand output leave the yellow wire disconnected.
