0.459 Request that submitted material be withheld from Public Inspection

It is requested that the following material be withheld from public inspection:

Description of the Product, Circuit Functions, how the device operates,
Ground System, and Antenna

Block Diagram

Schematic

These materials are considered HID Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with our Product and therefore ask that the above-specified materials be withheld from public inspection.
