Front Mount Exterior Transponder – Label Location

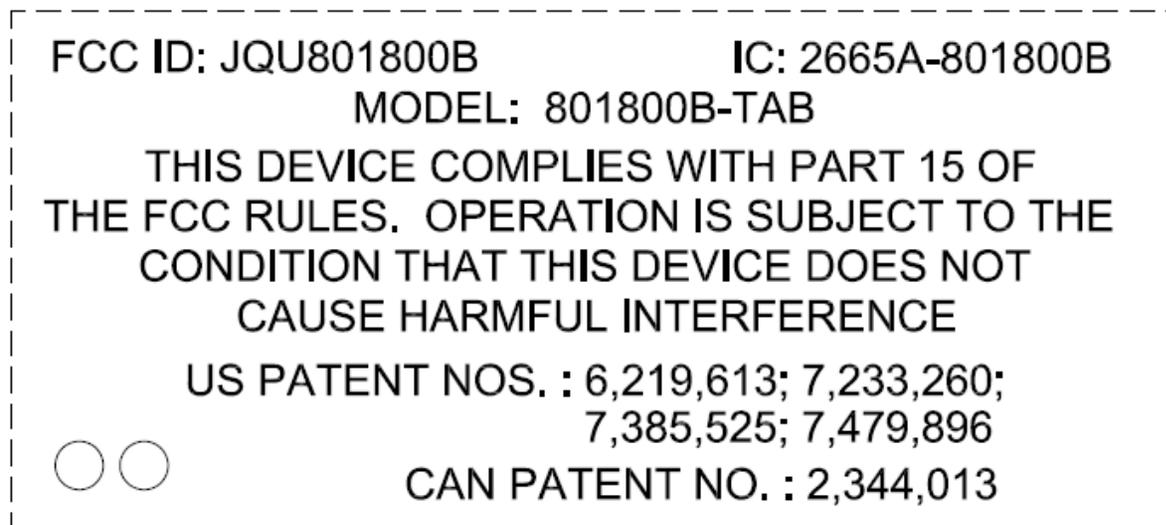

The following defines the label and the location of the label for the Front Mount Exterior Transponder.

Label Size

2.25 Width x 1.0 High (inch.)

Label Format

The figure below shows the label that will be used for the transponder.

Label Location

The label is located on the rear of each transponder and is engraved into the unit. The location on the unit rear is shown in the following figure. *Note the picture does not show the final version of the label text.*

Label Position
