

Client	Kapsch TrafficCom Canada Inc	
Product	MRFM-S with External Amplifier (MRFM-SEA)	
Standard(s)	RSS-137 Issue 2:2009 / FCC Part 90 Subpart M:2015	

Dear Timco

This application contains an external amplifier, HPA915, supplied by Shireen Inc to Kapsch Inc. Shireen Inc wishes to keep the HPA915's proprietary information confidential and not disclose them to their competitor or the public. Shireen Inc's FCC and IC requests are contained in the following two files:

1. JQU802295A-A SHIREEN-HPA915 FCC Confidentiality-request.pdf
2. JQU802295A-A SHIREEN-HPA915 IC-Confidential authorization.pdf

Shireen Inc's Confidential materials are named according to Timco's naming convention but with "SHIREEN-HPA915" immediately after the FCC_ID in the filename.

Shireen Inc would like Timco to have a note to the FCC and IC that their proprietary information will not be released.

Sincerely,

Min Xie
Project Engineer
