TRP-8100 – 802477A Label and Location

References: FCC ID: JQU802477A
IC: 2665A-802477A

The following defines the label and the location of the label for the TRP-8100.

Due to the need to place other jurisdiction regulatory permanent labels on the certain models, it is not considered practical to place the information required by 47 CFR Part 15 on those models such that it is readable. Therefore in accordance with 47 CFR 15.19 (5) for those models the statement required by Part 15 is provided in the mounting instructions that are to be supplied to the user, a copy of which is included in this application.

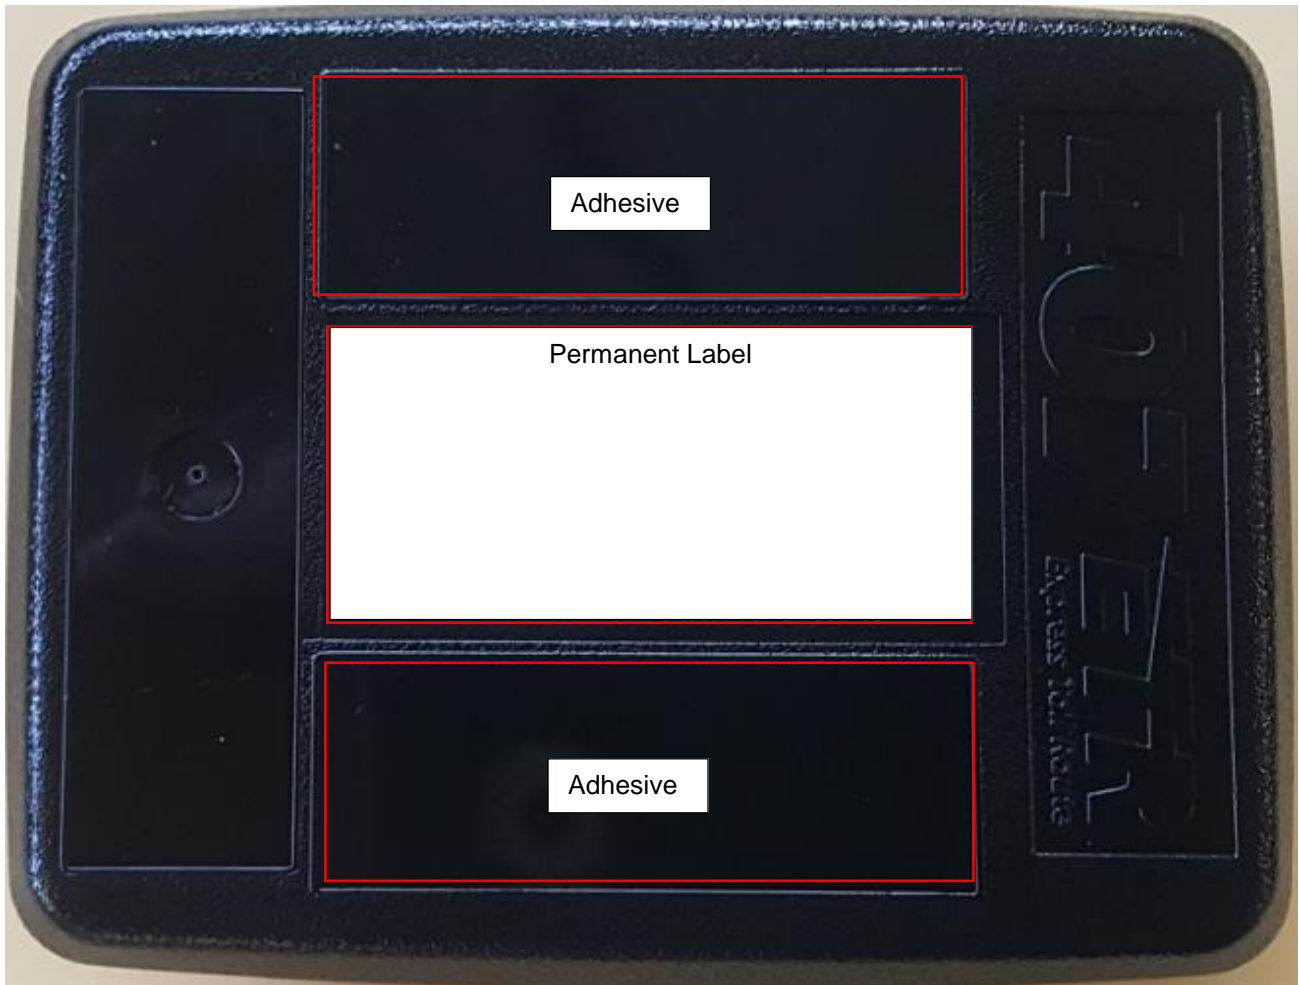

Label Size

For model 802477A-TAB the permanent label is 1.839 x 0.9 inches on the back of the unit.

Label Location

The label is located on the rear of each unit and is engraved into the unit. The unit rear is shown in the following picture.

Rear view of Model 802477A-TAB

Note the picture does not show the final version of the permanent label text – this is shown in the next section.
