Kapsch TrafficCom

March 02, 2023

Federal Communications Commission Authorization and Evaluation Division 7435 Oakland Mills Road Columbia, MD 21046 Attn: OET Dept.

Attention: Application Examiner / Review Engineer

Subject: Requesting Class II permissive change for FCC ID: JQU802890

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive Change under C2PC procedure for FCC ID: JQU802890, Original grant date: June 27, 2022

Applicant: Kapsch TrafficCom Canada Inc.

The major change filed under this application are the following:

- Replace Power Amplifier Transistor Q12 PD85015TR-E manufactured by ST Microelectronics with AFT09MS015NT1 manufactured by NXP.
- Add two capacitors C165 and C114 and change the value of R373 in the bias network.
- Change the value of C553 and C552 in the matching network.

Sincerely,

Dated this

02 Day of March

2023
