

# R15 User Guide

Model No. : R15

TX FREQUENCY : 434.12MHz SPAN : 200KHz

RX FREQUENCY : 433.92MHz SPAN : 200KHz

Operate Voltage : 12V( Power supply )

Operate Current : 200mA

## Button VS. data table

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

To comply with the FCC RF exposure compliance requirements, this device and its antenna must not be co-located or operating to conjunction with any other antenna or transmitter.
