Dear Mike,

On behalf of my client Trimble Navigation Ltd., I request that the following documents associated with this application for certification be withheld from public view:

Schematics
Block diagrams
Operational description
Parts list/Bill of Materials

Trimble Navigation Ltd. has expended considerable time and funds in developing the referenced product, and disclosure of these documents to competitors would afford them an unfair advantage in developing similar competing products.

If you have questions or need further information please don't hesitate to contact me.

Sincerely,

T.N. Cokenias
Agent for Trimble Navigation Ltd.
