Subject: Attestation to utilize certification test reports on identical unit – per section 2.908

To whom it may concern,

This is to certify that for the Trimble MRM Model No: TVG-850 HSPA, FCC ID: JUP-TVG850HSPA in this application, it is using the WLAN (FCC ID:N6C-SX10WAG) and Bluetooth (FCC ID: PI403B) which are identical to the ones used in a previously granted Trimble MRM model No: TVG-850 EVDO, FCC ID: JUP-TVG850EVDO.

The only difference for this application is that a new WWAN module was incorporated (FCC ID: N7NMC8795). And the relevant test report per FCC Rule Part 22 and 24 is submitted.

Based on the above, the test reports for the WLAN (FCC ID: N6C-SX10WAG) and Bluetooth (FCC ID: PI403B) previously submitted for Trimble product (FCC ID: JUP-TVG850EVDO, Model No: TVG-850 EVDO) are hereby used along with this submission.
