Patrick Deane is a Compliance Manager and Project Manager for Engineering and Construction Division of Trimble. Patrick may be listed on the website as the main Trimble representative, or owner of the Trimble Grantee Code "JUP" (as used in FCC ID).

However in Trimble each division takes full responsible for global compliance, even though a common Grantee Code is utilised.

James C Green Green (Director of Engineering) is the compliance signatory for the MGIS division of Trimble.

So James C Green should sign the applications for this project due to Divisional responsibility.

Jennifer

As mentioned in the phone call

Your contact person in FCC web site is Patrick Deane but not James C Green

When we first provide the document to you, it was Patrick but you change it to James C Green

Therefore, I need you to write a mail to explain that James C Green can be responsible for signing all the FCC related application forms and document or we will need Patrick to sign all the documents instead

Thank you

Dear JoJo.

FCC網站上登錄的聯絡人爲Partrick Deane，請確認是否修改731 form上之聯絡人，或是提供文件證明James C Green是Trimble的聯繫窗口。
