RE: BenQ Corporation

FCC ID: JVPAP75A

After a review of the submitted information for FCC, I have a few comments on the above referenced Application.

- 1) Block Diagram still suggests Quad-Band operation. Please review. Correct information is necessary to properly execute grant notes. If Quad-Band is possible, other exhibits may require correction as well. Please review.
- 2) Please update the 731 form with the final corrected EIRP power.

Timothy R. Johnson  
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
