**In re: BENQ Corporation

FCC Part 22 Certification  
Request for Confidentiality**

Gentlemen:

In accordance with 0.459 of CFR 47, **BENQ Corporation** hereby requests confidentiality of the **Block Diagrams, Circuit Diagrams, Circuit Description, Parts List, Tune-Up Procedure & Operational Description** attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product, which BENQ considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, BENQ considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink that reads "Yao-Zeng Huang". The signature is written in a cursive style with a large, looping "H" at the end.
