Hello Chris,

Thank you for your email.

Please refer to my below comment and attachment files.

Your prompt response would be much appreciated.

Thank you.

Best Regards,

Sun- Hee KIM

> > I have reviewed the above referenced TCB application and find that the following items are needed before
the review can be completed:
> >
> > 1. The handset has a USB port for data transfer, and therefore is considered a computer peripheral. This
computer peripheral must either be Certified (no application for JBP (Computer Peripheral) equipment class has
been submitted) or be DoC approved. If this is being certified using the same FCC ID number then an
application for the JBP approval must be submitted. If this is being approved using the FCC Declaration of
Conformity (DoC) approval, you must have an FCC Class B DoC test report and the label must include the FCC
```

logo for the DoC approval. Please indicate which approval process is being used for the computer peripheral portion of this handset and provide the required information for that process.

==> Please find the revised SAR report <File name : EMI_Part 15_ Test-Report_ PC-8200N>

>> 2. The SAR report does not document the measurement of SAR with the Bluetooth transmitter transmitting as required by FCC. Please correct this issue.

==> Please find the revised documents.<File name : ATT. N (SAR REPORT)_ PC-8200N-new>
 <File name : ATT. O (SAR TEST DATA) -1 of 3-new> Page 15 of 19
 <File name : ATT. O (SAR TEST DATA) -2 of 3-new> Page 14 of 19
 <File name : ATT. O (SAR TEST DATA) -3 of 3-new> Page 6,11 of

15

<File name : ATT. Q (DIPOLE VALIDATION PLOTS)-new>

>> 3. The SAR report states that testing was performed with a standard and extended battery. Please provide battery specification (Watt-Hour rating, battery type) for each battery.

==> * Standard Battery : 950mAh (Lithium Ion Battery)

* Extended Battery : 1600mAh (Lithium Ion Battery)

>>

>> Please note that the Bluetooth associated application filed under assessment number AN06T5662 will be reviewed separately.

>>

>> The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
