**Date:** 19 March, 2002

**Reference:** FCC Submittal Confirmation Number **EA140166**

**FCC ID:** **JYLMK9A**

Regarding item 11 on the referenced FCC submittal form 731:

The instructions indicate that the Equipment Code must be selected from the available choices in the pull-down menu. The only equipment codes referencing Part 95 fell under Family Radio Services. As such, one of the FRS entries was selected. If there is a more appropriate Equipment Code, please advise.

Sincerely,

Timo Hansen  
Electrical Engineer,  
Telonics, Inc.
