

## Correspondence Summary Q & A

February 13, 2006

SUBJECT: DIALOGUE TECHNOLOGY CORP. - FCC ID: JYV-V33IG-W-B

---

TCB question:

9. Manual - page 7/59 (pdf): Simultaneous operation of the WLAN and GPRS modem is the responsibility of the grantee (not the user). There should be a mechanism preventing simultaneous operation. Please explain.

Answer:

9. Yes, we will update the users manual and Dialogue will turn off GPRS/WLAN co-location mode by SW.
