RE: Request for Class II Permissive Change on FCC ID: K44422401

To Whom It May Concern:

We wish to achieve the following outcome, by way of a Class II Permissive Change, shown below.

Change the output power continuously variable between 5 watts and the listed power of 40 watts. There are no changes to the circuitry and the test data is included with this filing.

Please contact me if you require any additional information.

Sincerely,
