Gentlemen:

We are requesting a Class II Permissive Change for our model numbers listed above with corresponding FCC Identifiers. These radios comply with the requirements of the FCC Part 90 regulations. The new models have a frequency range of 450-512 MHz and no hardware and electrical changes have been made to them as the original ones filed.

Programming of this product's transmit frequencies can be performed **ONLY** by the manufacturer or by service or maintenance personal. The operator cannot be program transmit frequencies using the equipment's external operation controls.

Should you require additional information relating to these products, please do not hesitate to contact us. Thank you and we would appreciate your consideration.

Best regards,

Yukimasa Tomita  
Director, Engineering Division
