RE: FCC ID No. K6630323X30
Model No. HX750S, and HX760S

Gentlemen:

We are requesting a Class II Permissive Change for our model numbers listed above with corresponding FCC Identifiers. These radios comply with the requirements of the FCC Part 80 regulations. The new models have no changes in the basic frequency determining circuitry including multiplication stages have been made to them as the original ones filed.

Programming of this product's transmit frequencies can be performed **ONLY** by the manufacturer or by service or maintenance personal. The operator cannot be program transmit frequencies using the equipment's external operation controls.

Should you require additional information relating to these products, please do not hesitate to contact us. Thank you and we would appreciate your consideration.

Best regards,
