Administration**

JAN 30 2014

Mr. Andy Leimer
Federal Communication Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, Office of Spectrum Engineering Services has received the updated TIMCO ENGINEERING INC. letter of Notification dated Jan 28, 2014, regarding request for Federal Communications Commission (FCC) certification of its very high frequency (VHF) Portable Transceiver, model number FTA-550 and FTA750 and FCC ID: K6650013X20.

The intent is to certify this VHF equipment for 25 kHz operations. We have no objection on the FCC granting certification.

If you require any additional information, please contact Ms. Annette Allender, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-3893 or by e-mail annette.allender@faa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'RAF', with a long horizontal line extending to the right.

Robert A. Frazier
Manager, Spectrum Planning
and International Group
