Dear Frank:

I would like to request that the emission designator be changed to 16K0F3E for 25KHz spacing and 11K0F3E for 12.5KHz spacing. The application has not yet been granted. Could you please amend the 731 form.

If you have any questions or need anything please let me know.

Thanks in advance for your help in this matter.

BEST REGARDS,

Sid Sanders
