RE: FCC ID No. K66VX-160U
Model No. VX-160U / VX-180U and BC90

Gentlemen:

We are requesting a Class II Permissive Change for our model numbers listed above with corresponding FCC Identifiers. These radios comply with the requirements of the FCC Part 90 regulations. The new models have Permissive changes in the basic frequency determining circuitry including multiplication stages have been made to them as the original ones filed.

Programming of this product's transmit frequencies can be performed **ONLY** by the manufacturer or by service or maintenance personal. The operator cannot be program transmit frequencies using the equipment's external operation controls.

Should you require additional information relating to these products, please do not hesitate to contact us. Thank you and we would appreciate your consideration.

Best regards,

Vertex Standard Co., Ltd.
