EXPOSITORY STATEMENT
PERMISSIVE CHANGE

APPLICANT: Vertex Standard Co., Ltd.

FCC ID: K66VX-210U

The applicant has made design changes/improvements to the originally FCC approved equipment.

Data contained herein confirms that a Permissive Change to the unit has been effected and that the performance of the unit is at or better than the levels originally reported to the commission.

A copy of the original grant of equipment approval is included for convenience.

The following changes/improvements have been made:

The frequency has been extended from 485-490.

Test Data attached, provided by Applicant.
