Dear Mr. Corey Cahill:

The Federal Aviation Administration, Spectrum Engineering Services Group received the Honeywell International Inc, notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the Aspire 350-3A Aeronautical Earth Station Satellite Communications Iridium Transceiver with FCC ID: K6K-A350-3A.

We have completed the review process of the information submitted by Honeywell International Inc. and concluded that we have no objections to the FCC granting certification for this equipment.

If you require any additional information, please contact Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-7365 or via e-mail jae.w.shin@faa.gov.

Sincerely,

Mark Carmouche
Group Manager, Spectrum Engineering Services
