DEC 17 2015

Mr. Andy Leimer  
Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, office of the Spectrum Engineering Services received the EMS Technologies Canada Ltd. notification letter of its filing with the Federal Communications Commission (FCC), dated December 2nd, 2015. The application is for certification of the A781 Aeronautical earth Station Satellite Communications transceiver model A781-MK4 with FCC ID# K6KA781-MK4.

The Spectrum Planning and International Group has reviewed the data presented by EMS Technologies Canada Ltd. and has found no objection to the FCC granting certification to this equipment.

If you require any additional information, please contact Ms. Annette Allender, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-3893 or via e-mail [annette.allender@faa.gov](mailto:annette.allender@faa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read 'RAF'.

Robert A. Frazier  
Manager, Spectrum Planning  
and International Group
