## Multiple Models Confirmation Letter

I, the undersigned, hereby confirm that any of our production units bearing the following models numbers are same RF in the below models listed from item 1) to 3). Only difference between fuse models is a display & keyboard as well as DPS for answering machine added onto model OL2410. RF & handset design are identical as well.

On the other hand, the below models listed in items 1)-2) have the same handset RF & main layout & base RF layout and the same line interface characteristic design as the below models listed. OL2410 is a digital answering machine added-on item 1), OL2400 without any modification on RF and line interface characteristic design.

Item 3), OL2420, is just a additional handset with charger for Item1) & 2).

Item 4), OL2461 is just putting OL2400 & OL2420 from two-separated package into a single package.

Item 5), OL2490 is just putting OL2410 & OL2420 from two-separated package into a single package.
