Subject: **FCC ID: K7GP1808**

**Justification Letter for expanded frequency range
400-470MHz**

Gentlemen;

You have asked **Giant Electronics Ltd.** for justification to have the frequency range 400-470MHz appears on the face of the FCC Grant of Certification for a Part 90 Certification. This frequency range is regarded as usual & customary by United States Federal Government and its various departments, user organizations and military to appear on the face of the equipment Grant of Certification.

- (1) **Giant Electronics Ltd.** Marketing Department plans to ensure that **USA** users, other than those specifically identified in this letter, not operate within bands **400-406.1MHz**, as controlled by the users' FCC station license.
- (2) This device will not be marketed to USA users, other than those identified in the letter, namely the US Government and its various departments & military, for operation in **400-406.1MHz** frequency range.

Sincerely,

Dated this 30th day of January 2008
