RE: FCC ID: K7S-F5D7000A_ATCB000807
Attention: Ellis Wu

I have a few comments on this Application.

1. FYI - Please note that 2.925(a)(1) states, "The FCC Identifier shall be preceded by the term *FCC ID* in capital letters on a single line, and shall be of a type size large enough to be legible without the aid of magnification." Please note that the ID number on the label for this device is not on a single line and can be confused with other items on the label. When the FCC ID is not on a line by itself, it can be placed in a box. Otherwise it is to be on a single line without other items.
- 2.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
