Re: Belkin Certification Application
FCC ID: K7SF5U302DNGL
K7SF5U302HUB

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commissioners rules (47 CFR 0.457,0.459), we are requesting the Commission to consider the following attachments as confidential documents and withhold from public disclosure indefinitely.

Schematics
Block diagrams
Bill of materials
Theory of Operation

The above mentioned documents contain detailed system and equipment descriptions and are considered proprietary information in regards to operation of the equipment. The public disclosure of the above documents would be harmful to our company and give competitors an unfair advantage in bringing like products to market.

In addition to the documents mentioned above, pursuant to Public Notice DA 04-1705 of the Commissions policy, in order to comply with the marketing regulations in 47 CFR 2.803, and the importation rules in 47 CFR 2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the Commission to grant our short-term confidentiality request on the following attachments:

External Photo's
Internal Photo's
Test Setup Photo's
User's Manual

It is our understanding that all measurement test reports, FCC ID label format, and correspondence during the certification review process cannot be considered confidential, and these documents will be available for public view once the grant of equipment authorization is issued.

Sincerely,

Mark Freeman
Senior Product Manager
Belkin Corporation
