RE: FCC ID: K7SF8T001
Attention: JT Chen

I have a few comments on this Application.

- 1 The Internal Photos show copper tape used on the final device. The manufacturer needs to provide a statement that any modification done to the device to achieve compliance will be added to the final product. Please provide this statement from the manufacturer.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
