Mr. Klinger:

In order for processing of this certification application (FCC ID: K7SF8Z341) to continue, the following issue(s) will have to be addressed:

- 1) The device must be labeled as required by 15.19(a)(3) of the FCC rules. The device is too large to qualify for having the statement placed in the user's manual under 15.19(a)(5). Please see "784748 D01 Labeling Part 15 & 18 Guidelines v07".
- 2) Please provide a letter from the applicant, stating that this device has not been submitted to another TCB or the FCC.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is K7SF8Z341-1.
