Mr. Hansen:

In order for processing of these certification applications (FCC ID: K7SF8Z441) to continue, the following issue(s) will have to be addressed:

- 1) The user's manual does not contain the statement required by 15.21 of the FCC rules, regarding changes or modifications to the device.
- 2) The test report describes a second IPOD connected to the USB port of the EUT, but it does not appear in the test setup photos submitted.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is K7SF8Z441-1

Best regards,

Scott McCutchan
