Dear Mr. Ward:

The following is in response to your request for additional information for the above referenced unit.

1. The modified User's Manual has been uploaded..
2. This device is not classified as a digital device since it is an analog radio transmitter that sends a remote control code to turn on or off. The device contains only radio circuitry.
3. The Operational description has been uploaded.

Please contact me, should you have any questions and/or concerns regarding above matter.

Best regards,

Brian Haghtalab
Operations Manager
