Subject: Re: FCC ID: KA2DWL-650V2

Dear Timothy,

Regarding to your review comments for  
FCC ID: KA2DWL-650V2, please see the explanation  
as below:

- 1) The connector is for testing proposes only.
- 2) We remeasured the 6dB bandwidth test per your requirement  
and modified the test result of report. Please find the attachment as  
file  
name "minimum 6dB bandwidth plot" attached for your reference.
- 3) For the RBW & VBW setting, please refer to the section 2.1  
of the report.
- 4) We modified the test data of Power Density of the report.  
Please find the revised report & plot attached for your reference.  
Sorry for the carelessness mistake.

I hope the supplements satisfy all your requirement for reviewing  
this application. If you have further question, please feel free to  
contact me.

Have a nice weekend!

Best Regards,  
Julia Chu
